The Life of Ed Baldwin - from Ed's Kids

Ed Baldwin, you know as a Harley-Davidson enthusiast who loved being a member of your club and all the wind therapy that comes with it. He always spoke of you fondly.

As his grown children were so very far away in other cities and states it was reassuring to know that he had a second family who he had for friendship, loyalty, support, and encouragement. He always spoke of the adventures and kinship he shared with you all.

As it turns out, you met him in the final chapter of his life. However, his earlier chapters were equally rich and fulfilling. Our dad loved boating life. As kids we spent our summer weekends on the lake. He taught us to water ski at young ages and the important life lesson of overcoming fear and finding courage to try something new. We spent several vacations floating on Lake Cumberland, KY while living on a rental houseboat and exploring with our ski boat during the day.

Many times, while on the boat our dad would put on Bob Marley and other diverse music. This led his second son and daughter to have a lifelong love of live music and concert going. Sometimes life becomes hard for us all.

When we lost in a sporting event, had a difficult patch in our lives or came up short on a job promotion we really wanted, our dad was there to lift us up and encourage us to keep fighting. He was our greatest cheerleader and confidant. The success we ultimately had in sports, our careers and being well rounded adults and parents came from his so many words of wisdom.

We looked up to our father and learned to emulate his desire to never stop learning. Our dad studied industrial engineering at college, was an avid reader and extremely knowledgeable in a vast array of areas. Through his example we too saw the value of learning and obtained three bachelor #39 degrees, two MBAs and fluency in Spanish between the three of us to take with us into very fulfilling careers. Any success we've had couldn't have been done without his example and encouragement.

A Special Thank You to Rich for this:

To use Teamup, you go to **teamup.com** on your computer or get the Teamup Calendar app. When you have done this, you will create an account. On the computer it will ask you to confirm your email address and when it does it will ask you to login. Now it will say create a new calendar or existing one. Select an existing one and on the next page enter this link:

<https://teamup.com/ks8puvmyau6hub4nfh>

On a cell phone you add the App. If you have not already created an account, you will do it now. If you did or finished creating your account login, it will say “create a calendar” in larger print, but below it in smaller print it will say “**open existing account**”. Click on Open existing account and add the following link:

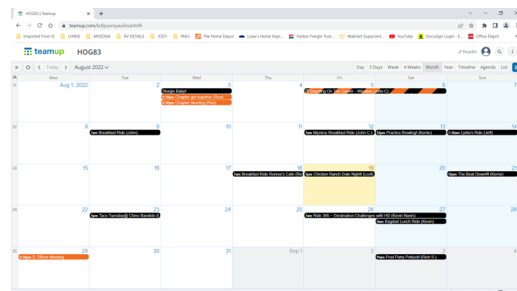

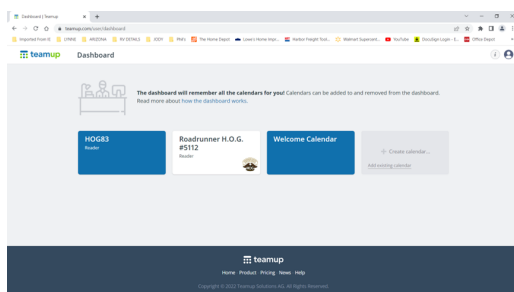

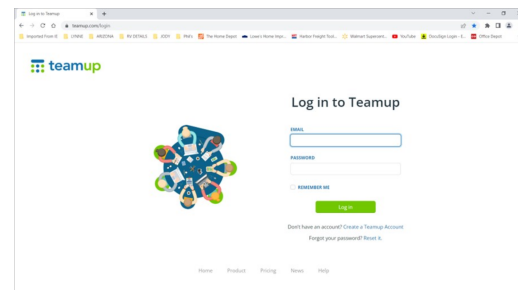

<https://teamup.com/ks8puvmyau6hub4nfh>

When you have done this you should now see **HOG83 Calendar on your screen**. From now on, any ride that we add to this calendar should show up in about 2 minutes if your devices are turned on.

Let's stay on pace and cruise to the finish line in the #1 position. Remember to turn in your 365 mileage reports on a monthly basis and get entered into the Dealership Gift Card Raffle. DIRECTOR'S CORNER

Newsletter – July 2024

I would first like to thank Kerrie and Win for their leadership of HOG 5104 over the past year and a half. I know they will do great things at Road Runner and want to offer my support with whatever they might need.

With the transition of officers, I would like to let everyone know who are the people in what positions.

Assistant Director – John Sbrega

Secretary - Jan Foutz

Treasurer - Terry Smith

Membership Officer – Jeff Shropshire

Head Road Captain – Steve Schell

Safety Officer – Ed Berg along with Rick Frey

Activities/Ladies of Harley – Mandi Larkins

Historian – Tom Powell

Photographer - Fred Kramer

Publisher/Editor – Phil Hall

I would like to thank each and every one of them for volunteering their time to HOG 5104

The chest pieces may have moved around, but our Chapter mission statement has remained the same which is to Ride/Have Fun/Be Safe.

We are always looking for additional volunteers to assist in some of the positions, and with a lot of new members we would love to have you as backup help for positions like activities, membership and road captain. If you are interested, see one of the officers to discuss what you would be interested in doing.

Finally – last year as a chapter, for the annual mileage ridden, we were # 1 in the western region and #4 in the nation with over 1 million miles as a chapter. In order to continue on that pace, we need all members to turn in mileage forms to Ron Long on at least a quarterly basis.

If you have not given one at the start of the year (and many members have not) please complete a form now so we can get a starting point to track your mileage for that point forward. All miles ridden this year prior will not count until we enter the beginning mileage at the time you submit your form. So please get your forms to Ron ASAP. We want to be #1 in our region again this year and bat out Scottsdale again.

Ride/Have Fun/Be Safe

Director

ASSISTANT DIRECTOR

Hello HOG Family,

I am excited to start working as your Assistant Director, Supporting our fearless leader, Kevin Mancino. What that means, I am still learning. Bear with me as I learn the ropes and can soon contribute to the amazing family we have at Arrowhead.

A couple of reminders I can give you:

1. We are still open for the football event tickets. The more the merrier!
2. Remember Bingo participants do NOT have to be present at the chapter meeting in order to win. There will be an envelope in the lounge area at the dealership for you to place your winning Bingo card. I will be installing it tomorrow, June 16.

That's it for housekeeping. Now just some general thoughts for all of us; IT IS HOT! Be extra careful out there and take care of each other on rides. Also, give us your thoughts on beating the heat and still enjoy riding. I know options are limited, but we would love to hear from you.

Finally, make sure to introduce yourself to your fellow HOGs. I am terrible with names, and I can't be the only one. We are like minded spirits who love this thing we do, so make sure we get to know each other a little better while we do it!

Keep that shiny side up!

Secretary's Notes

Happy summer, riders.

There is a lot of hot days ahead for us. At least we'll have some breakfast rides and trips and rallies. Oh, and ice cream runs.

I'm looking forward to the July ride to South Fork, Colorado. I hope many of you are going as well. It should be a great ride and fun times.

Attend the ride planning meeting to suggest your favorite rides or email or call one of the officers to let us know where you'd like to go. It could be a comedy club, a new restaurant, a movie, a bag lunch ride to somewhere wonderful that you know about. All suggestions are welcome.

No Chapter meeting in July, so see you at the next one in August and/or at Arrowhead Harley-Davidson. Have a safe and happy summer.

Your Secretary,
Jan

Treasurer's Report

July – 2024

As Treasurer, the last three months have kept me fairly busy with chapter activity. Money has been coming in for several different items. They include money for a shirt order, tickets to Arizona Cardinals games and the usual items such as memberships, patches and money from chapter meetings. All of these are kept separate so they can be tracked for reports and taxes. There's also been a change in Officer positions, which required changes at our bank. It's been a busy Spring season.

As someone who rides a lot of miles each year, I wanted to encourage everyone to be sure you are reporting the miles you ride to Ron Long. Our chapter was number one in the region last year and we'll be celebrating that in October of this year. We're encouraging everyone to work hard and help us continue our status as the number one chapter in the region. You can have your miles recorded by turning in the HOG Mileage Recognition Form to Ron Long. You can find that on the website (www.ahdhog.com) when you click to see common Forms. OH, and if your spouse/partner rides as a passenger and is a chapter member, don't forget to report their miles too. Your miles will count as miles they rode. Let's keep those miles coming in!!

The “Strong” Chapter That Rides

As I return to the role of the Membership Officer, I am humbled and honored by the number of people who have welcomed me back and how thankful I am for the opportunity, again. A role, that I truly enjoy and take seriously!

I would be remiss if I did not acknowledge and thank my successor and predecessor Steve Schell, for his efforts in keeping our chapter membership strong and vibrant. Of course, no one single person is responsible for the strength of our chapter, it is the result of every member, volunteer, and officer that makes our chapter strong and fun! With this in mind, I would like to personally thank Kerrie Navin and Win Hillibert for their leadership and guidance, as they take on new challenges at our sister chapter.

As of this newsletter, our chapter has 229 members at the end of June. What is truly impressive about this, are the increased number of members that are showing up for rides and helping out all around the chapter! This is a true reflection of riding, having fun, and our connections with our HOG family and friends. Not to mention the impressive attendance at the ever popular Taco Tuesday! Thanks Gab and Mandi.

In closing, I would like to thank our awesome sponsoring dealership, Ron Long, Sam Sovis, and Eric Bushamie for purchasing a brand new commercial BBQ Grill for the chapter and dealership! Check out the pictures on facebook at Arrowhead HOG 5104. Win and I had a great time assembling it and can't wait to grill on it.

RIDE AND HAVE FUN! If you aren't having fun, you aren't doing it right.

Respectfully,

Jeff Shropshire,

HOG 5104 Membership Officer

Head Road Captain

Hello Everyone,

We have a ride planning meeting coming up on Sunday the 16th, yeah, I know it's Father's Day. But, if you have some time, swing by the dealership between 11 and 1, we would love to hear from everyone on new rides. Thinking that we might have to schedule some evening and/or night rides, nice way to beat the heat. We have a fun ride coming up shortly to White Mountain, we also have a few rides during the week and some on the weekends... Check out TeamUp for all the scheduled rides. If you get a chance come out for a ride.

It's not about the destination, it's about the journey!!!

Head Road Captain

Safety Officer

BEFORE EVERYRIDE

Check your motorcycle's tire pressure and tread depth, hand and foot brakes, headlights and signal indicators, and fluid levels before you ride. You should also check under the motorcycle for signs of oil or gas leaks. If you're carrying cargo, you should secure and balance the load on the cycle; and adjust the suspension and tire pressure to accommodate the extra weight. If you're carrying a passenger/ he or she should mount the motorcycle only after the engine has started; should sit as far forward as possible, directly behind you; and should keep both feet on the foot rests at all times, even when the motorcycle is stopped.

Remind your passenger to keep his or her legs and feet away from the muffler. Tell your passenger to hold on firmly to your waist, hips, or belt; keep movement to a minimum; and lean at the same time and in the same direction as you do. Do not let your passenger dismount the motorcycle until you say it is safe.

I think it is great to see and encourage other lady riders, GO YOU!

We are starting to have a ladies night activity the last Friday every month, and more events throughout the summer.

We will be doing some shorter rides for newer lady riders if you know any one that would like to invite.

Historian

Hello fellow 5104 Hog members,

I recently accepted the Historian position within the chapter.

I was blessed to have parents who were very active in the motorcycle world. My riding started behind my father and in his sidecar in the 1960s and I've never looked back. Dirt bikes followed with trail blustering, observed trials, flat track and motocross racing.

My street adventures began in the early 1970s and continue to this day,

I look forward to doing justice to the Historian position and adventures to follow with my riding brothers and sisters,

Tom P.

From Behind the Typewriter:

We had our ups and downs the last quarter. We are on the upswing and need to keep it going. We have Rides, Events and gatherings coming up, so check with TeamUp and our website for details.

With the weather getting warmer, I look forward to earlier rides for breakfast. Our Road Captains have planned a number of rides and are looking at more. Any suggestions, please let us know.

Past Director's Message

From the desk of the past director:

Just a quick note to let you know we have made a sign. It will be put up in the dealership for bragging rights. We won the South West mileage 365 program last year. It is our intent to show it off. So, we now have a sign that says "HOG 5104 The best in the South West Over 1 Million Miles in 2024." Tell it to everybody we earned it.

I Just wanted to let you know that we are working on getting more pictures up on SmugMug so you can see yourself on all your rides. Fred is now learning how to use it so he can put all his photos up. I will be traveling for the month of Aug. so I hope to see you in Sept., again ride safe and keep the shine side up.
