## Chapter Manager

Hogsters,

The summer is upon us. As always, your Officers have planned a lot of early morning breakfast rides, some cool overnight adventures in the northern part of the state, and of course some awesome national Hog rides (Sturgis) etc.

As the Mercury goes up the super-Hot deals become available as well. If you are interested in a new or pre-owned bike purchase, remember July is our exclusive HOG Member only employee pricing month. See me for details. With that being said, ride safe my

fellow Hogsters and keep the rubber side down and stay cool if you can.

H.O.G. Manager

## DIRECTOR'S CORNER

### DIRECTOR'S CORNER

Newsletter – July 2025

We just finished our ride planning meeting filling out our ride calendar through September 2025, please take a look at the exciting rides on the calendar. Please check team up and sign up for these great rides. There are some open dates due to Summer heat so if there are some good ideas out there, please reach out to your officers.

This year has been amazing so far. Our membership has gone back up over 200, and our engagement and enthusiasm from members has grown like a weed! We have held a CPR Certification course at the dealership and will be holding the Advanced Accident Scene Management course in the near future.

Upcoming rides and events are exciting and meant for all members. The White Mountain Rally is coming at the end of the week. Sturgis will see many of our members riding out. Our sister chapter, Roadrunner Harley is holding an Oktoberfest celebration at their dealership. Check Teamup for dates and the AHD website for details.

Please be aware and let your officers know they are appreciated for all they do to make sure we keep riding and having fun, which is our job one.

We are always looking for additional volunteers to assist in some of the positions, and with a lot of new members we would love to have you as backup help for positions like activities, membership and road captain. If you are interested, see one of the officers to discuss what you would be interested in doing.

Finally – last year as a chapter, for the annual mileage ridden, we beat all other chapters in the valley. In order to continue on that pace, we need all members to turn in mileage forms to Ron Long on at least a quarterly basis.

If you have not given one at the start of the year (and many members have not) please complete a form now so we can get a starting point to track your mileage for that point forward. All miles ridden this year prior will not count until we enter the beginning mileage at the time you submit your form. So please get your forms to Ron ASAP. We want to be leaders in our region again this year and beat out Scottsdale again.

May the road rise up to meet you,

John Sbrega

Director

## ASSISTANT DIRECTOR

### Assistant Director's Report:

I hope everyone is having a good start to the summer. We are having a great response to the ride challenges. The Butt ride has over 23 members out riding and having fun. The 10 for 25 also is having a good response.

As everyone is aware, it is getting hot so make sure you stay hydrated and you check your bikes every time you go out. Tires and fluids are the most important but do not forget about lights (brake, turn signals, and headlights).

So let us get out and have fun riding. Ride Safe.

Win Hillebert

Asst. Director

## Secretary's Notes

### July 2025 Secretary Article

**Hi 5104 Hogsters:**

**First, I would like to thank Jan Foutz for her years of service as secretary for our chapter and hope I can follow in her footsteps and do a great job like she has done.**

**I would like to introduce myself for those of you who do not know me. I am Laura Mancino and have been part of the chapter since 2006. I have held the position of LOH officer for 7 years and have also been a road captain up until three years ago when I sold my bike. Now I have a new RG3 and am back doing my road captain duties along with my new secretary duties.**

**Just another tidbit about me, I became a teaching assistant for my husband and his teaching partner for 10 years for our motorcycle training school. I taught both the classroom sessions and the riding skills classes, and can assist anyone who may have questions about safe riding.**

**I am excited about my new challenge as secretary and if you have any questions, please feel free to contact me at [lmancino@cox.net](mailto:lmancino@cox.net).**

**As always, stay safe out there.**

**Laura Mancino - Secretary**

## Outgoing Secretary

Hi Arrowhead friends,

I'm stepping down from the secretary position this month (June). Laura Mancino is taking over and she'll be great for the club.

Thanks to all for over 4 years of friendship, kind words, and fun! The officers and staff at Arrowhead have been wonderful to associate with. I've enjoyed my time here and hope to see all of you on rides, at chapter meetings, and at the events as well.

Jan Foutz aka Mrs. Bob

## Treasurer's Report

JULY – 2025

WOW! It seems unbelievable that the year is half gone already. From the Treasurer's perspective, 2025 is going well. One of the things happening this year versus last year is how Ron and Sam have worked with the Arizona Cardinals as far as how we purchase football tickets this year. Last year, it was a lot of work on everyone's part for ticket purchases. This year, you will simply purchase your own tickets online. The website and weekly email will have instructions for ticket purchases. Both Arrowhead and Roadrunner chapters will be attending the games. It should be a fun time!

It's finally good to see the 2024 mileage verified by HOG for our chapter. We consider ourselves the winners for turning in another million-mile year. Because of this, we've designed our own million-mile patch. If you haven't purchased one already (Only \$5.00), pick one up from the dealership in Motorclothes.

Speaking of miles ridden, are you participating in the two ride challenges this year. Win's Butt Ride is a bit challenging and one I certainly plan on accomplishing. There's also the 10 for '25 Challenge, which requires you to take a selfie at 10 sites around the Phoenix area. Accomplish all ten and you'll be entered for a \$250 drawing at year-end. Both challenges are listed on the Arrowhead HOG website ([www.ahdhog.com](http://www.ahdhog.com)) so check out the rules and get out there and ride. We need another million-mile year in 2025. "LET'S RIDE"!!

Terry Smith

Treasurer

## Membership

### Newsletter Article

As of June 25, 2025 our membership roster stands at 206.

The benefits of a HOG chapter membership are the tangible perks in the way of special “HOG member only” dealer incentives, giveaways, and MoCo support. But far and away the most beneficial are the “intangibles”. And the single biggest intangible is the camaraderie and fellowship of fellow members.

What new and current members can expect is a friendly welcoming atmosphere but especially a wealth of knowledge about just about any model that Harley manufactures. They’ll also find fellow chapter members are also chapter dealer mechanics, sales, and support personnel. But more importantly its members who are people just like you. And in an organization and culture you’ll find nowhere else. They’ll also find that once they join the fellowship and camaraderie quickly blossoms into friendships in very short order. This is where the real fun begins.

If you’ve never experienced a group ride, an overnigher, or on a tour with friends you know you’ll find that after the first one there’s no turning back. The very best times Ive had on any motorcycle have been on overnighers and tours with HOG Chapter 5104. That’s where the camaraderie, fellowship, and fun truly develop. And where you’ll find the true core of what HOG chapter membership is truly all about.

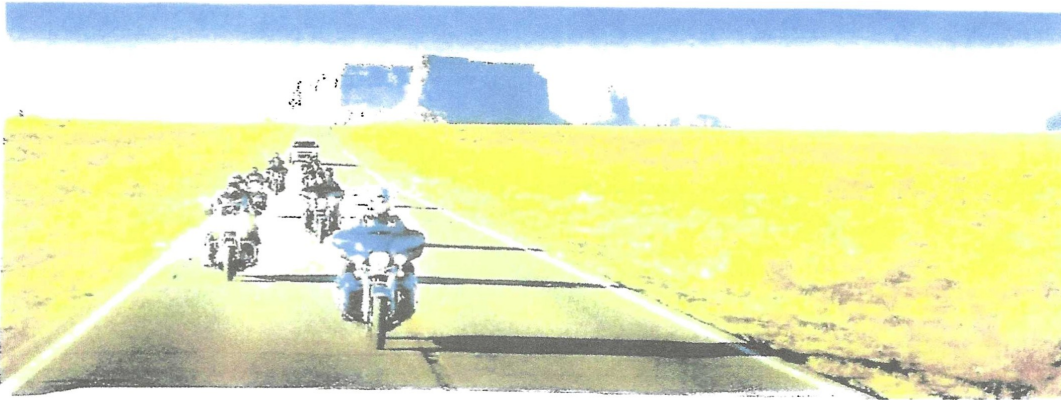

## Safety Officer

We all love riding motorcycles and what could be better than to share that pleasure with friends?

The dynamics of riding quickly get more complicated, however, as you add more bikes to the group. The following are some of the essential tips for riding with others.

### Motorcycle Hand Signals

	<b>SLOW DOWN</b> Arm extended straight out, palm facing down, swing down to your side		<b>FOLLOW ME</b> Arm extended straight up from shoulder, palm forward.		<b>LEAD/COME</b> Arm extended upward 45°, palm forward pointing with index finger, swing in arc from back to front.		<b>HAZARD IN ROADWAY</b> On the left, point with left hand; on the right, point with right foot.
	<b>SINGLE FILE</b> Arm and index finger extended straight up.		<b>DOUBLE FILE</b> Arm with index and middle finger extended straight up.		<b>COMFORT STOP</b> Forearm extended, fist clenched with short up and down motion.		<b>REFRESHMENT STOP</b> Fingers closed, thumb to mouth.
	<b>TURN SIGNAL ON</b> Open and close hand with fingers and thumb extended.		<b>PULL OFF</b> Arm positioned as for right turn, forearm swung toward shoulder.		<b>POLICE AHEAD</b> Tap on top of helmet with open palm down.		<b>FUEL</b> Arm out to side pointing to tank with finger.

Before you get on the bikes be sure that everyone knows where you're going. Inevitably there are times when the group gets separated. Discuss where you're going, where you expect to stop, and what you'll do if you do get separated. Exchange cellphone numbers. And then make sure the latest plan is clear each time you start out again.

Rick Frey  
Safety Officer

## Safety Officer

Practice operating your motorcycle. Given the fact that motorcycles vary in handling and responsiveness. Be sure to take the time to get accustomed to the feel of a new or unfamiliar motorcycle. Ride your bike in a controlled area. Once you accomplish this you can take the bike into the traffic. Make sure you know how to handle your bike in a variety of conditions (i.g.. inclement weather or encountering hazards such as slick roads, pot holes and road debris).

Before every ride check your motorcycles tire pressure and tread depth, hand and foot brakes, headlights and signal indicators. Make sure all fluid levels are correct. If you are carrying a passenger, he or she should mount the motorcycle only after the engine has started.

Keep your head on a swivel at all times Be Safe out there.

Ed Berg Safety Officer.

## Head Road Captain

Hello Fellow Hogsters,

Well summer is here. Please stay hydrated and limit your time in the heat. We are planning rides for early morning or going up north to get out of the heat...

Keep your bike in good mechanical condition, not only is the heat hard on our equipment, you do not want to get stranded on the road in 105+ degree weather...

Keep an eye on your tires, with the heat, it will be hard on them.

Just some friendly reminders;

1. Check your bike every 500 miles or so, they are Harley's and they can rattle things loose.
2. Check your tires every time before you leave, tire pressure is really important.
3. Try to never ride in a vehicle's blind spot, even if you see the light on in the mirror indicating that you are there. People just do not look.
4. Always turn your head and check before changing lanes, people drive like nuts and will try to sneak in even when there is no room.
5. Try not to ride next to semi's, if a tire blows, your day is going to turn bad in a hurry.
6. Be on the offense all the time, keep your head on a swivel. Sometimes people in cages just do not see us... We have to see them and be ready for them to do something stupid. If you expect it, you are more likely to be able to avoid it.
7. If you are riding on a two lane road and a semi or slower moving vehicle is coming at you, move to the right of the lane when possible, it gives a person that might be passing the slower vehicle a little more time to see you.

Hello HOGSTERS:

Summer is upon us so that means, very warm weather. Please dress accordingly (lite colors to reflect the sun) and as always, please hydrate well before any ride and use plenty of sun screen.

For the months of July and August, especially, there will be fewer rides on the calendar and mostly early morning breakfast rides.

Please remember to check the Team Up application if you have it on your phone, it has the most up to date information on all rides and other events. If you do not have the application, please contact Rich Sporski and he will assist you in putting the app on your phone.

Stay safe out there and keep the shiny side up at all times.

## Past Director's Message

From The Past:

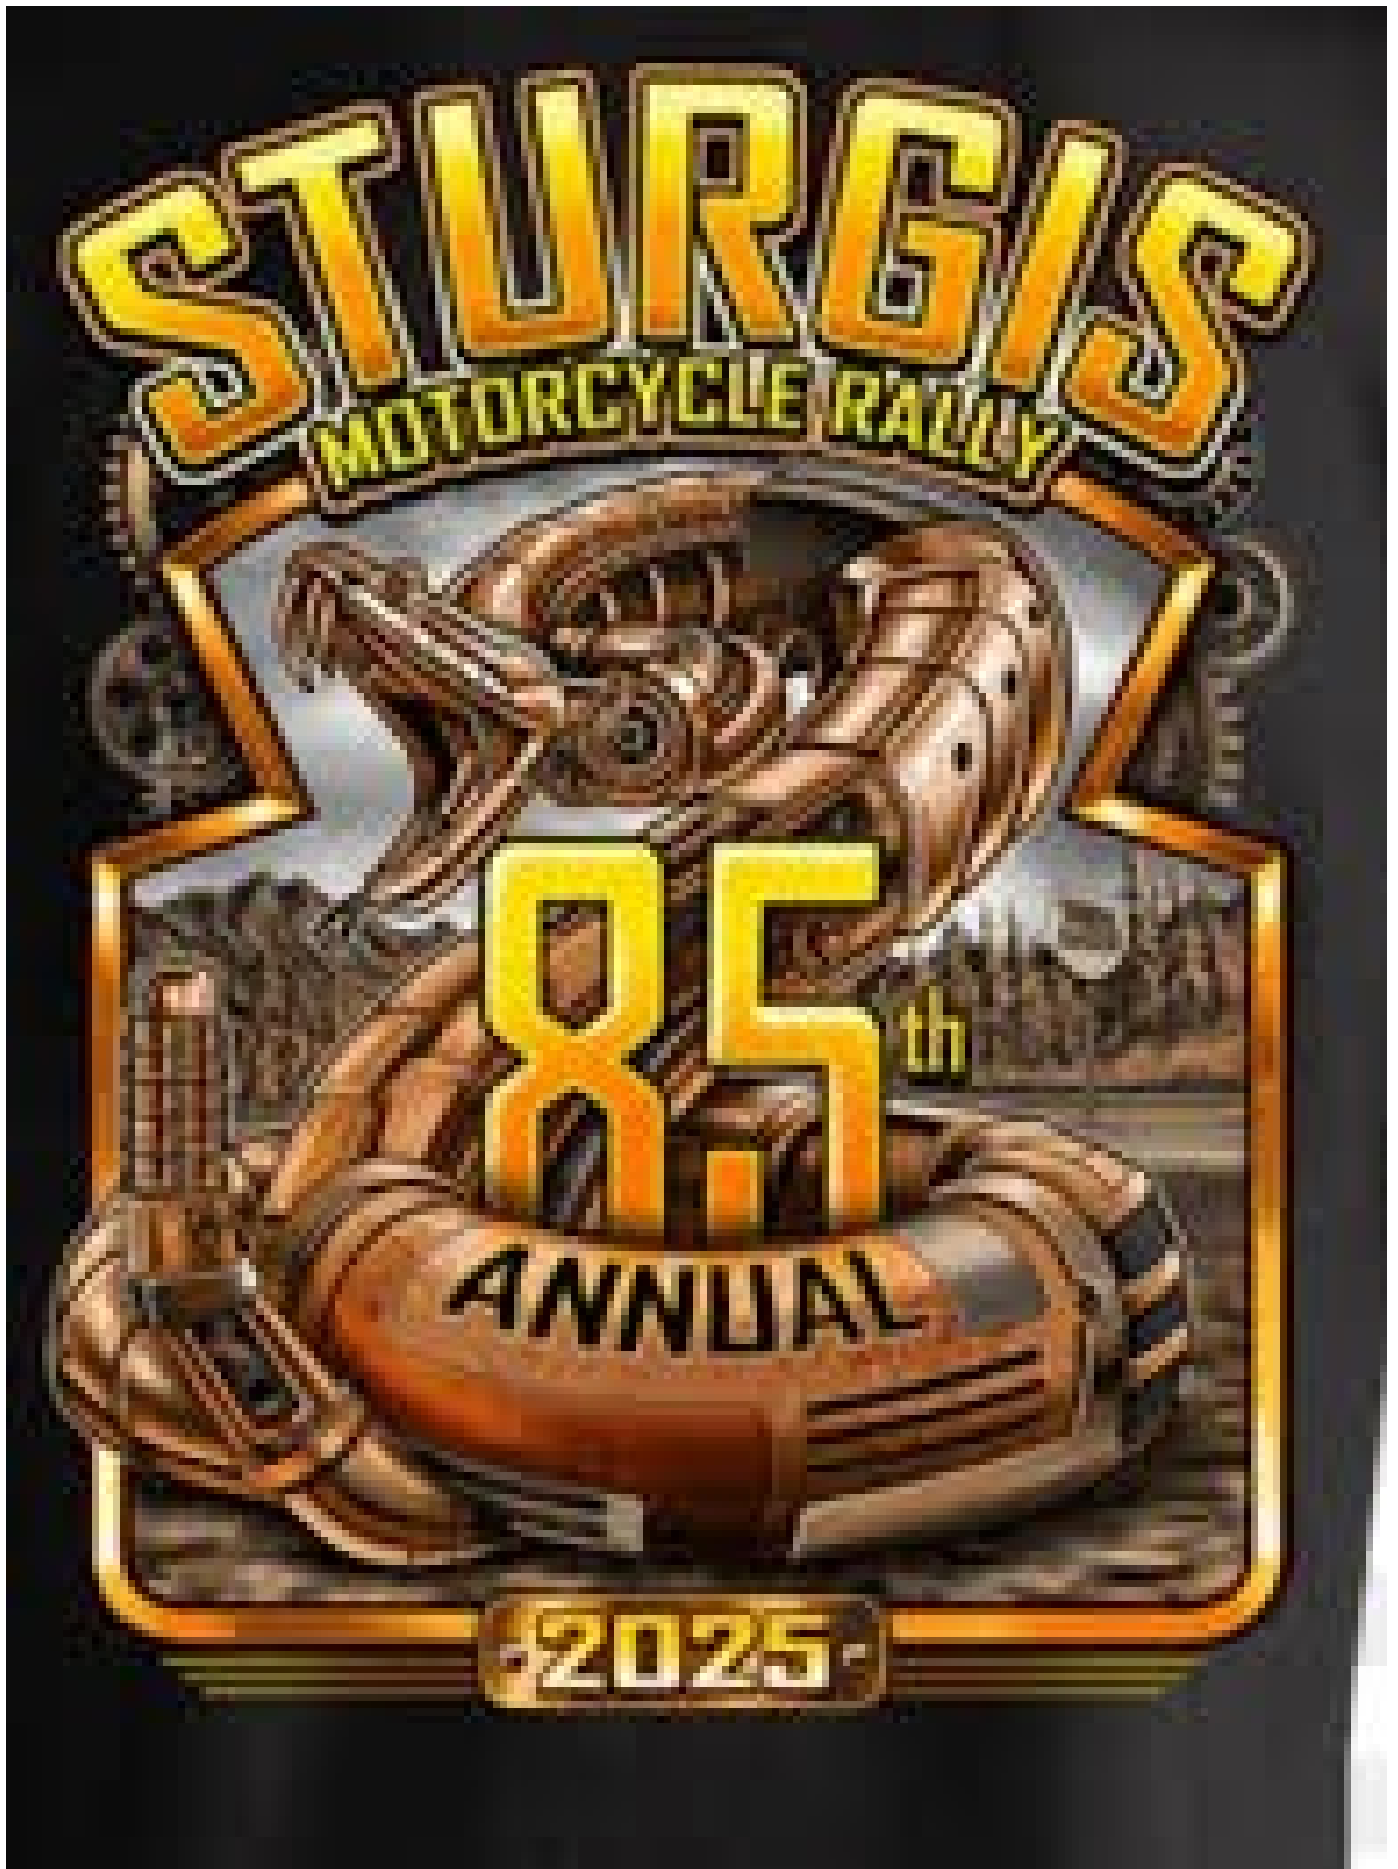

Here I sit getting ready to do a great trip. We are going to Glacier national park, and then to Yellowstone national park. It is a 3800-miles trip without any side trips. It should be a great addition to our mileage for the year. All we ask for is well wishing for us. All I have to say is anybody can do this. All it takes is a little imagination and will power.

So, don't just sit there get out and ride before it gets to hot. Hope to see you on a trip real soon.
