I am happy to announce that I will be continuing my employment with Arrowhead Harley-Davidson on a part time basis and will remain as your Hog Chapter Manager.

I for 1 am looking forward to all the new and exciting rides and events being planned by your Head Road Captain & fellow members. Looks like 2026 is going to be a great year to ride and have fun and let's face it, that's what this is all about.

Chapter Membership is up and new models are coming out right around the corner. With that being said, let's get out there and ride.

See you at the next meeting, be safe and keep the rubber side down.

DIRECTOR'S CORNER

DIRECTOR'S CORNER

Newsletter – January 2026

We just finished our ride planning meeting filling out our ride calendar through April 2026, please take a look at the exciting rides on the calendar. Don't forget to check team up and sign up for these great rides. There are some open dates, so if there are some good ideas out there, please reach out to your officers.

This year has been amazing. So many great rides have happened and are continuing to be brainstormed. We have had first time rides to Los Algodones and The Run to the Rez in Carlos. We have held our Memorial ride for Bob and Deb in Yarnell, had an amazing Chili Cookoff and helped keep our roads clean with Trash Treks. Year one of my tenure as Director has only made me prouder to be an Arrowhead HOG member.

To illustrate our commitment to be innovate in our ride schedule, we have added

destinations we haven't done before. The big one is two-day ride to the Valley of Fire in Nevada. Along with this, we added another trip to Los Algodones, a New year's alternative ride to the Desert Diamond (White Tank) Casino and a Quartzite "Sale-a Rama" ride.

Keep your eyes open for new ride challenges, like Win's "Butt Challenge" and Terry's 15 for 26 Hunt

Last but not least; sign up for our Holiday Party, which is on January 10th (Deadline for signup is December 26). Let's ring in the New year with good friends, good food and some Raffles and prizes.

My one and only goal for all of us is to keep my HOG family riding and having fun, which is our job one.

May the road rise up to meet you,

John Sbrega

Director

ASSISTANT DIRECTOR

From Behind The Director:

I would like to thank everyone who did the Butt challenge this year. There have been 28 riders that have turned in millage. The patches will be handed out at the Holiday party. The challenge will be into next year for those that want to add to their millage.

Make sure and get your millage for the year turned in to Ron or any officer before the end of the year so you and the chapter can get credit. Our chapter is doing good in the challenge, let's keep it up. The weather is great so let's get out and ride.

On another note, let's make sure and stay hydrated it is important. Also remember when changing lanes always make sure you have plenty of room to change lanes check your mirrors and do a head check. Try to leave plenty of room for the others behind you to get in.

Let's get out ride and have fun this next year. We will have a lot of new rides and I am hoping there will be something for everyone.

Be safe riding into the new year.

Secretary's Notes

December 2025 Secretary Article

Hi 5104 Hogsters:

As the weather is now cooling down, it is time to get out there and ride. We will have a full ride calendar through March of 2026 after the ride planning meeting this month.

Remember, with the cooler weather, dress in layers to stay warm and remember, just because it tis cooler out there, it is important to stay hydrated.

I am excited about my challenges as secretary and if you have any questions, please feel free to contact me at lmancino@cox.net.

As always, stay safe out there.

Laura Mancino - Secretary

Treasurer's Report

January – 2026

As you read this in January, I hope we're about to start another great year of fun riding on our motorcycle HOGs. I personally always look forward to the new year, fresh with those new resolutions. Most of us probably have similar new year resolutions. We want to lose weight, be kinder to others and as HOG members, we resolve to get out and ride our motorcycles more. Let's plan on making those resolutions come true this year!

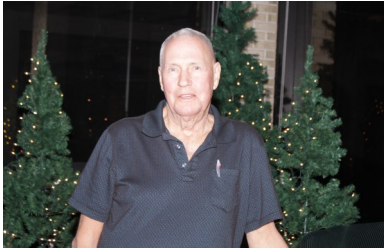

From the viewpoint of Treasurer, 2025 was both a challenging year for the chapter but also easier in several ways. The biggest challenge was the football ticket sales this year and the direction that program will take in the future. Changes within the dealership also contributed to a bit of uncertainty but those are hopefully behind us as we move into the new year.

The 2025 chapter riding challenges seemed to be rather successful. Win's Butt rides had a lot of interest and will continue into 2026. The 10 for '25 was also successful and a new challenge is 2026 begins January 1st. It's the 15 for '26 and has 15 destinations for you to ride to and take a picture of yourself in front of the destination. You will get one ticket if you complete 10 of the destinations and a second ticket for the final 5. That will give you two chances to win the \$250 grand prize.

Wishing everyone a great new year and let's get out and do what we love doing.... Riding!!

HAPPY NEW YEAR!

We have 230 members as of December 31, 2025. We have 90 members signed up for 2026. As of January 1, 2026, we will take a dip that I will try to fill. This happens every year, so it is expected.

We have a ton of Rides and Events coming up this year. Our Holiday Party is on January 10, 2026. I know our Ride Planning Meeting brought some Great ideas with some multi-day rides. Check TeamUp for the schedule.

Don't forget to get your starting mileage for 2026 in to Ron as soon as possible after January 1, 2026, so as to get what you have coming. Forms are on the Website as well as in the Lobby at Arrowhead.

Happy New Year 2026 H.O.G. Family

As we come into the new year to ride together, we have to prepare for the cold weather here in Arizona. Be sure to check your tire pressure, in cold temperature your tire pressure may decrease by 1psi for every 10 degrees of temperature drop. Also check your lights and fluids before your travels. Dress in layers or bring extra clothes for when the temperature changes throughout the day. Below you will find a chart on riding speed to temperature change.

Hello HOGSTERS:

As a special note: with the cooler weather, it is imperative that you check your tire pressure before each ride, as the cooler weather has a tendency to reduce your tire pressure. Properly inflated tires are imperative for a safe ride and getting more miles out of your tires.

It is also important to dress in layers for the cooler weather and remember to stay hydrated even though the weather is cooler, we still need fluids in our system.

We just concluded our ride planning meeting and we have filled out our ride calendar through April with plenty of rides and an overnigher in March and a three ride to the valley of fire in Vegas. We also added new ride locations, so check them out.

Please remember to check the Team Up application if you have it on your phone, it has the most up to date information on all rides and other events. If you do not have the application, please contact Rich Sporski and he will assist you in putting the app on your phone.

Stay safe out there and keep the shiny side up at all times.

Past Director's Message

From the desk of the past Director:

As I sit here thinking of all the great riding weather we are having. The Holidays are here and make it difficult for us to ride. All the things we have to do does not leave much time for riding!

But your health needs some time for you, so get out and ride even if its to the store for more gifts.

Have a Merry Christmas and a Happy New Year.
